Report on World Cancer Day

With prior scheduling the events in the presence of our Head of the department of Pharmacology and Pharmacy Practice - Dr.D.K.Suresh and with the kind support of our Director, Ch.Aditya Reddy”, World Cancer day was conducted on 09.02.2024 in the college campus.

Dignitaries like Principal and H.O.D., have spoken about the importance of Cancer day. Guest lecture is given from Team members of Malla Reddy Institute of Medical Sciences. Team members include as following

1. Dr. Aswan Gaddala, Assistant Professor, Department of Community Medicine has presented a topic on Epidemiology.
2. Dr. Sushma Katkuri, Professor, Department of Community Medicine has explained about types of cancer, symptoms and early detection.
3. Dr. Arun Kiran Soodi Reddy, Associate Professor, Department of Community Medicine has briefly elaborated about Life style and cancer prevention.

In this regard, all the students of B.Pharm., Pharm.D and M.Pharm. had participated actively in the World Cancer day programme.

The programme was concluded with felicitation of guests with momentos.

Herewith we are attaching few photographs of the event.
