Report on Republic Day

With prior scheduling the events in the presence of our beloved Principal “ Dr. V. Rama Mohan Gupta and Head of the department of Pharmacology and Pharmacy Practice - Dr.D.K.Suresh and with the kind support of our Chairman “Ch. Sathi Reddy” and Director, Ch.Aditya Reddy”, Republic day was organized on 26.01.2024 in the college campus.

Dignitaries like Principal and H.O.D., have spoken about Republic day and also highlighted the importance of it. **Republic Day** is a national holiday in India commemorating the adoption of the Constitution of India, and the country's transition to a republic which came into effect on 26 January 1950.

The constitution replaced the Government of India Act 1935 as the governing document of India, thus turning the nation from a dominion into a republic post its independence from the British Raj in 1947. The constitution was adopted by the Constituent Assembly of India on 26 November 1949 and came into effect on 26 January 1950. The date was chosen as the Indian National Congress proclaimed Purna Swaraj (complete independence) on this day in 1930.

Republic Day is commonly associated with parades, political speeches, cultural events and ceremonies, in addition to various other public and private events celebrating the history, government, and traditions of India.

In this regard, all the students of B.Pharm., Pharm.D and M.Pharm. had participated actively in the Republic day celebrations. The program was concluded with the singing of National anthem and also Flag hoisting.

Some of the students have sung the patriotic songs also.

1. Flag hoisting in Republic day celebrations
