Report on "Dental Check up Camp"

(07th November 2024)

NSS unit of Pulla Reddy Institute of Pharmacy in association with Apollo Dental Clinic have organised Dental check up camp on 07.11.24 for all the teaching, non-teaching staff members and students in the college premises by inviting the guest Dr.O.Mallika, consulting Dentist.

In this regard, the programme was initiated by Dr.D.K.Suresh, HOD of Pharmacy Practice department and Dr. Subhas Sahoo, HOD of Pharmaceutical Chemistry. Few suggestions were given to each and every participant about their dental health.

Dental camps are usually a day long visit to colleges for the provision of services like preventive care, curative care, screening for diseases and health education. The main objective of the camp is to impart education on dental issues, oral hygiene, oral treatments.

All the faculty, other staff members and students of all branches had actively participated and made successful by active participation.

We are sharing few glimpses of the programme.

1. Initiation of Dental check up camp by Dr.D.K.Suresh

2. Dental check up for Faculty members

3. Dental check up for students

4. Dental check up for HOD and other faculty members

5. Felicitation of Guest by D.K.Suresh and Subhas Sahoo

Outcome of the Programme:

Overall, the dental check up camp was an excellent initiative to promote oral health awareness among students and faculty members. The event helped the staff members to learn about the importance of maintaining good oral hygiene and provided them with the necessary tools to take care of their teeth.
