**Report on "National Pharmacy Education Day"  
( 6th March 2024)**

Pulla Reddy Institutions have organised National Pharmacy Education Day Program on 6th March 2024 in seminar hall. Prof. M. L. Schroff is recognized as the Father of Pharmacy Education in India. The Pharmacy Council of India has decided to recognize the contribution of Prof. Mahadeva Lal Schroff by declaring his Birth Anniversary as National Pharmacy Education Day on 6th March, 2024. The students were briefed about Prof. Mahadeva Lal Schroff and his contributions to Pharmacy Educations in India. In this regard, the college has conducted a **Elocution competition** on the topic "**Industry-Academic collaboration best practices**". The program was successful with the active participation of Pharm D I year and Pharm D II year and they were gifted with 1st and 2nd prizes.

1st Prize won by Ms. Yogitha of Pharm.D II year

2nd Prize won by Ms. Ashwitha of Pharm.D I year

1 st Prize winner in Elocution competition

2 nd prize Runner in Elocution competition
