**Report on "Blood Donation Camp"
(22nd March 2024)**

Pulla Reddy Institutions have organised Blood donation Camp in association with VKR Trust blood centre (A Unit of Ramdev Rao hospital) on 22nd March 2024. Nearly 50 units of blood was donated by the students of B.Pharm, Pharm.D and also by the office staff members.

Two doctors along with three technicians and also two nurses were present on that day to collect the blood samples from the students. Blood donors were given refreshments to regain the energy.

All the blood donors were presented with a certificate and a key chain as a token of gratitude from the Trust Organisation. Reputed CEO of Ramdev Rao hospital has also assisted the VKR trust in organising the blood donation camp and made the camp successful. Principal, HOD, NSS P.O., and other teaching, Non-teaching staff members has actively participated in Organising the camp and made the event successful. Blood donation camp was conducted in the college campus.

Donating blood has benefits for your emotional and physical health. It helps in

1. Reducing stress.
2. Improve your emotional well-being.
3. Benefit your physical health.
4. Helps in reducing cholesterol level.
5. Reduces cancer risk.
6. Aids in fighting haemochromatosis.
