Report on World Pharmacist Day -25/09/2024

Pulla Reddy Institute of Pharmacy in coordination with NSS Unit has organised World Pharmacist day with the motive to promote Global health needs. The College has invited the guest **St. Peter Cornelious, Founder and CEO of Hendrix Medical Group of Companies** and he has delivered the speech highlighting the role of Pharmacist in this present generation.

World pharmacist day was celebrated on 25-09-2024 with the theme **“Pharmacists: Meeting Global Health Needs”** in the college campus.

Dignitaries like Dr. D.K.Suresh , Dr. Subhas Sahoo and Dr. V. Rama Mohan Gupta has delivered their valuable speech on this occasion.

In this connection, the college has conducted competition like Essay writing (theme of current year) for all the students of B.Pharmacy, M.Pharmacy and Pharm.D. The winners and runners of Essay writing competition were awarded with prizes. The students has participated with enthusiasim and made the event a grand success.

At last, the programme was concluded with vote of thanks and felicitating the guest with Memento and Shawl by the dignitaries. So herewith, we are sharing few photographs of the programme.

3. Faculty members along with students

4. Felicitation of Guest with Memento and Shawl by Dignitaries

5. Group photo of Faculty members with Guest

Outcome of the Program:

Pharmacists are integral to our health-care systems, often being the first point of contact for health advice and primary health care, as well as addressing the health needs of our population in many varied ways like Promoting disease prevention, such as by administering vaccines, conducting health screening, educating patients and helping to improve health literacy.

Advocating for policy changes that promote better health outcomes. As demonstrated during the COVID-19 pandemic, Pharmacists are at the forefront of addressing regional and global health crises.
